

IT'S BACK IN 2025 WITH A NEW LOCATION AND HANDS ON INSTRUCTION! RV TECHNICAL INSTITUTE / RV TECHNICAL BASICS

The 2024 Technical Institute Session was a big success at the 2024 CARVC Conference and will be back for a pre-conference session in 2025! Ocean Lakes Family Campground Recreation Building features 17,000 sq.ft. of climate-controlled space and will be the site of the Institute. Ocean Lakes RV Center will provide travel trailers for this instructional hands-on clinic.

The 2025 Hands on Instruction will include:

- LP Tests, Leak Test, Flow Test, Lock-up Test, and Bubble Test
- Electrical Boards with Worksheets
- Multimeter Instruction
- Voltage AC Operational Test
- Converter Output Circuits
- Receptacle, GFCI Polarity & Hot Skin Test
- Battery Inspection Cables, Voltage, and Hydrometer
- Safety Ground Conductor Test
- Fresh Water System Inspection and Leak Test
- Air Conditioning - Delta T
- Furnace, Water Heater, and Refrigerator (both the DC compressor and absorption) sequence of operation
- Range and Microwave operation
- Expandable Rooms - Slide out adjustment & inspection seals inside, top, & bottom

Learn How to Assist Your Customers and Boost your Customer's RV'ing Experience!

Park operators / managers are often the 1st people to tend to a guest experiencing technical difficulties with their RV. This session will teach some basics to help get guests safely on the road, save a vacation that may be going downhill fast, and make YOUR campground stand out as one of the best with customer service!

This session will have a separate registration and will not require CARVC Conference registration!
