

CPR CERTIFICATION

Are you and your staff CPR certified? Having a CPR-certified staff at your campground is a proactive measure that enhances safety, compliance, and overall visitor experience. It is an investment in the well-being of both your staff and your guests.

Ensuring that you and your staff are CPR certified is crucial for several reasons:

- Emergency preparedness
- Safety Assurance
- Quick Response to Cardiac Arrests
- Regulatory Compliance
- Enhanced Reputation
- Increased Staff Confidence
- Liability Reduction
- Community Responsibility

Arrive early to the 2025 CARVC Conference for CPR Training by Darin Almond. Darin is certified in CPR, Advanced Cardiac Life Support, Pediatric Life Support, and Disaster Medical Specialist.

This session is open to 15 people and will be "First Come First Serve". This is a separate registration and conference registration is not a requirement. Upon completion, each attendee will be certified and get a card e-mailed in a couple of days to a week.
